File No. 327/Sir,

The Secretary to the Hon 'ble the Resident

in Mysore, Bangalore.

P.P. read from

S.N. 58.

I have the honour to invite your attention
to your No. 556/393-1928, dated 27.1.1931 postponing the question
of the appointment of a gardener in the Government Training
School, Bangalore.

2. The necessity for a gardener in the school
is keenly felt. Gardening is an essential part of the Training
School work. The syllabus in Nature Study contemplates a
great deal of practical work, and direct observation by students,
in the school garden. Hitherto facilities for this work were
afforded to the students by sending them once a week to the
Municipal Gardening school at Jougpoliam. Since the Gardening
School has been abolished, the students will, in future, have to
depend entirely on the school garden for their practical work.
The services of a gardener have therefore become inevitable in
order that the school garden may be prepared and kept in order.

3. I therefore request you to be good enough
to move the Hon'ble the Resident to sanction the appointment of
a gardener and ~~watch~~ ^{man} on Rs. 15/- per mensem with effect from
1.6.1933. The ^{existing} post of the watchman on Rs. 5/- per mensem will be
abolished and so the additional expenditure required will be Rs. 120/-

* P.P. mtd
separately

per annum. Orders may be issued to budget this sum in future budget estimates. The additional expenditure required for the current year , (Rs. 90/-) will be met by reappropriation from savings from the Educational budget.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools,

Coorg and Bangalore.
